

Hangar Talk

Issue 4 – April 2010

NEXT MEETING
April 19th, 7:30

From the Prez'
Club President Bob Kleis

"Hi Guys"

The Club is again thinking about getting a new lawn mower. The mower is 13 years old and if we could get a new ZTR mower it would be easier to operate and last well into the future. Please try to be at this next meeting to discuss this matter.

At the next meeting lets get together and set a date for a work day at the field. If you have any ideas for things that need repair or maintenance let us know at the meeting.

Cover Iron Cleaning

Ever ironed covering and found out that your iron was too hot and some of the covering actually melted on the iron? It's a pain, especially when you're doing multicolored coverings. A wise old man told me to heat the iron up to full heat and rub the face of it with Bounce or any other dryer static remover. WOW! It works great!!!!. Now there's no more hustles of transferring different colors on unwanted areas of your plane.

Your President
Bob Kleis, Jr

The VP's Perspective
Club Vice President Mike Bryant

See You Out There

Meeting Minutes

Fred Rasener – Recording Sec.

March 15, 2010

Meeting called to order at 7:30 with 15 members and 0 guests.
With VP Mike Bryant presiding

Pledge of allegiance was given.

Minutes from last meeting are in the last newsletter

Treasurer's report – Denny gave report and it was accepted

OLD BUSINESS

1. The swap met was well attended and the club did make a reasonable profit. Denny has the details.
2. The rent on the building at the Bartholomew Co Fairgrounds is half price on Sundays. Members discussed the benefits of moving to a Sunday next year and no firm decision was made but it is food for thought and discussion later.

NEW BUSINESS

1. Stan Durnal proposed a motion that the club officers be the same for this coming year and no nomination or election be held at this time. Shoop seconded and it was passed unanimously.
2. JCRCF is a gold status club for this year thanks to Randy Schwersenska's efforts.
3. The subject of new parking boundary flags was discussed since the existing one's we now have are literally coming apart causing us to chase down the litter. Denny agreed to do some research on replacement flags.

SHOW & TELL

None this time..

MEETING ADJOURNED AT 8:10 pm

From the Editor
Dennis Runge

Hi everybody.

Well, it's been nice and warm the last week or so but it's also typical spring weather, WINDY!!!! Hope everyone has had an opportunity to dust off their planes and get in a couple of flights.

It's also that time of year again. I'll get the mowing schedule chart up in frequency shed. Take a look and sign up for a week or two. Remember, we all use the field; we should also help keep it looking like something we can be proud of.

The water is back on in restrooms.

I was able to get the Warbird date moved from the 17th of July to the 10th. Hope this works out for those that had a conflict.

JUST A REMINDER. Last member to leave the field check that restrooms and frequency shed are locked and lights are turned off.

Enough said. See you at field. HAPPY FLYING.
Denny

Club Safety
Safety Officer- Steven Maxwell

The flying field is all of ours, don't be afraid of asking people for their AMA card, the reason is to protect the field and the people enjoying flying and watching. Safety is everyone's concern.

Always be safe

Steven Maxwell
Safety Officer

Second Annual Great Planes R/C Airplane Auction

Display Models - Test Samples - New & Used Condition

After a successful return in 2009, the Great Planes Airplane Auction is back for a second year and it's better than ever! Over 200 airplanes will be available for auction! Pilots - this is your chance to grab some of the most hard-to-find flyers around - whether you prefer the excitement of electrics, glow-powered aerobats or gas-powered giants. Many choices are R&D test models. Some are used, some include engines and some even include installed radio equipment. Each plane is unique, and every plane must GO. Be sure not to miss this year's Great Planes Airplane Auction - it's the sale of the decade! Please refer to the Web site listed at the bottom of the page for complete details.

When: Saturday, May 1st, 2010

Registration begins at 8:00 a.m. but get there early

Visitors can preview items before auction begins

Auction runs 9:00 a.m. - 5:00 p.m.

NO BREAKS!!!

Where: Champaign County Fairgrounds

1302 N. Coler Ave., Kesler Hall

Urbana, IL. 61801

Parking available at Carle Hospital Employee Parking Lot #14

On-site concessions will be available.

For further details and a complete list of planes, visit:

www.greatplanes.com/auction

Planes are sold "as is" without warranty. No free parts, plans, manuals, etc. will be provided by Great Planes Product Support. It is the buyer's responsibility to ensure that the plane is air-worthy. Some planes were first intended for use as show models. Some planes may require additional work and/or reinforcement before they can fly.

The order in which planes are auctioned will be selected at random. No plane will be brought up at the buyer's request. Buyer must settle his/her account before any planes will be allowed out of the auction facility.

Bidders must be present at auction - no phone bids will be accepted. All planes must be removed on May 1st.

Cash and/or checks (with valid driver's license/state ID) will be accepted as payment. Credit cards not accepted.

ALL SALES ARE FINAL. No re-selling is allowed inside the auction facility.
