

Hangar Talk

Issue 12-December 2009

NEXT MEETING
January 16th, 6:30

**Annual
Christmas Dinner
Maples Building
Johnson County Park**

From the Prez'
Club President Bob Kleis

"Hi Guys"

Well, it's that time of year for celebration and renewal. I want to wish all of the club members and their families a Very Merry Christmas and a Happy New Year. I also want to take time again to thank all of the members who have pitched in with their time and efforts to make our club, the flying field and our events a success. We should all look forward to the new year with hope and excitement for a bright future. Don't forget the Christmas Party.

**Merry Christmas
Bob Kleis, Jr.**

For whatever reason, we failed to have the scheduled election of officers in November. Lets plan to have nomination of officers at the February, 2010 meeting, and the election at the March meeting.

Thanks.

Bob Kleis, Jr.

The VP's Perspective
Club Vice President Mike Bryant

See you all at the next club meeting.

See You Out There
Mike

Meeting Minutes

Fred Rasener – Recording Sec.

**Meeting Minutes
November 16th, 2009**

Meeting called to order at 7:30 with 7 members and 0 guests.

Pledge of allegiance was given.

Minutes from last meeting read and accepted

Treasurer's report – Denny had to work, but told Bob K that the treasury was about the same as Octobers report.

OLD BUSINESS

1. The Maple Grove school event went well. Several members were present and they even got some flying in under the special lights provided by the hosts. Bob received a nice thank you note from the school.
2. The Boy Scout day event at the Greenwood Airport went well with a good number of airplanes displayed. They also provided an area to fly there. Bob mentioned the event was well attended (estimated 400) and generated a lot of interest.

NEW BUSINESS

1. Drew Eggers the Assistant JCP Director asked whether the club wanted to rent a port-o-let for the winter since the water at the restrooms is now shut off. The rent would be \$70 per month. We discussed this issue and a motion was made by Steve Shoop and seconded by Bob bills to not take the park up on its offer. Motion was voted on and carried. There will be no facility at the field this winter.
2. Don't forget the Club Christmas Party is scheduled Jan 16th at 6:30.
3. The bi-annual election of officers was not held as in the past. Bob K would like to discuss this with the members and decide on how to handle this oversight.
4. We discussed dates for the 2010 events and came up with the following dates.
Shoop's fly-in will be May 1st 2010
Heartnut fly-in would be September 11-12th
Warbird fly-in date undecided. It would be July 17th if held same weekend as last year.
Stan volunteered to check the AMA event calendar to check for possible conflicts.

SHOW & TELL

None this time..

MEETING ADJOURNED AT 7:50 pm

From the Editor
Dennis Runge

Hi everybody.

This is the time of year for family, friends and celebration. I'd like to wish all of you a very Merry Christmas and a Happy and Safe New Year.

Don't forget our annual **CHRISTMAS DINNER**.

There's no meeting in December because of the busy times around the holidays. Our next meeting is our annual Christmas dinner on the 16th of January at the Maples Building in Johnson County Park at 6:30. It's our usual pitch-in (bring covered dish) with club furnishing meat and drinks. Don't forget your gift for the "White Elephant" gift exchange.

Don't forget the "First Flight" of the New Year on January 1st for anyone that wants to brave the elements and get in their 1st flight for 2010.

It's that time of year again. Both AMA and CLUB dues need to be paid by the end of December, or earlier.

Remember, nobody can fly at our field without an "**up-to-date**" AMA.

Both AMA and CLUB dues can be paid online. Click "pay dues" button on club web site to pay club dues, go to AMA site to pay AMA dues.

JUST A REMINDER: The last club member to leave field remember to make sure shed and restrooms are locked and secure.

Enough said. See you at field. HAPPY FLYING.

Denny

Thought for the Day

**Don't hold farts in.
They travel up your spine, into your brain,
and that's where shitty ideas come from!!!**

Club Safety
Safety Officer- Steven Maxwell

Cold weather is just around the corner or for some of us it's already here, so take care not to over expose yourself will flying we have the shed setup for winter with heaters so use them.

Take care of your lipo batteries don't let them freeze. Do a storage charge (discharge) of about 3.85 volts per cell if your not going to use for over a week, and don't push the battery to hard for the first few flights after setting for a long time.

Always be safe

Steven Maxwell
Safety Officer

Dear Dad,

It is with great regret and sorrow that I'm writing you.. I had to elope with my new girlfriend because I wanted to avoid a scene with Mom and you.

I have been finding real passion with Stacy and she is so nice.

But I knew you would not approve of her because of all her piercing, tattoos, tight motorcycle clothes and the fact that she is much older than I am. But it's not only the passion... Dad she's pregnant.

Stacy said that we will be very happy.

She owns a trailer in the woods and has a stack of firewood for the whole winter. We share a dream of having many more children together.

Stacy has opened my eyes to the fact that marijuana doesn't really hurt anyone. We'll be growing it for ourselves and trading it with the other people that live nearby for cocaine and ecstasy.

In the meantime we will pray that science will find a cure for AIDS so Stacy can get better... She deserves it.

Don't worry Dad. I'm 15 and I know how to take care of myself. Someday I'm sure that we will be back to visit so that you can get to know your grandchildren.

Love, Your Son John

PS. Dad, none of the above is true. I'm over at Tommy's house.

I just wanted to remind you that there are worse things in life than a report card. That's in my center desk drawer.

I love you...

Call me when it's safe to come home.

Next Meeting:
November 16th , 2009
7:30 PM
at Parks Office or field
if weather permits
