

Hanger Talk

Issue 2-February 2011

NEXT MEETING
Feb. 21st, 7:30

From the Prez'
Club President Bob Kleis

"Hi Guys"

Well, with the recent bad weather it is no doubt that we are all going to have a lot of pent up energy to want to start flying this spring. I can't remember a worse winter. I haven't been doing anything in the building department and I know other members who are having trouble getting jump started. I am kind of excited. Mike Bryant finished building my Beaver. It has a 95 inch wing span and a 30CC gas motor. I hope it flies slow and easy. I haven't flown anything that big for twenty years. Don't forget the swap meet next month.

Meeting Minutes

See everybody at the meeting.

From the Editor

Hi Everybody,

LET'S NOT FORGET. It's that time of year again. Your AMA and club dues are due.

It's been a LONG COLD winter. The temps over the last few days have been a nice change. But remember, this is Indiana and it's only the end of February, I'm sure we'll have more cold weather before spring gets here.

Hope everybody had a happy and safe holiday season.

Our 1st big club activity for this year is our annual "Swap Meet", March 12th, at the Bartholomew County 4-H. Set up for vendors is 8am, we'll need help setting up tables at 7:15 to get ready for vendors at 8am. Any and all help will be greatly appreciated for the setup and to help throughout the meet. Remember, this is one of the clubs biggest money makers and we need help from our members to make it work.

It's been since way last year that we had a meeting. Remember this coming Monday, February 21st, is the first meeting of the 2011 season. Try to make it and catch up on what's been happening the last few months.

Let's not forget: the last member to leave the field has to make sure the restrooms and frequency shed are locked and secure.

Enough said. See you at field. HAPPY FLYING.

Denny
