

Hangar Talk

Issue 3 – March 2008

***From the Prez'
Club President Bob Kleis***

“Moving Forward”

I want to say that I am looking forward to being President of the club. If the rest of the officers weren't seasoned veterans, committed to this club, I would have never taken on the job.

I want to do my best to be fair and impartial, and work for the advancement of all parts of the radio controlled model aviation hobby.

If anyone in the club has any comments or opinions they would like to share with me I am always open to listening.

At the end of the day, we are all working for the same thing, to get fun and enjoyment from our hobby, with as few hassles as possible, and to make a brighter future for model aviation.

Your President
Bob Kleis, Jr.

The VP's Perspective
Club Vice President Mike Bryant

Well hello again,

To me this has been a long winter and to brake it up I have been to some indoor flying sites and had a lot of fun there. If anyone is interested ask me and I'll tell you where they are.

We have swap meet coming up and I'm sure some help will be needed there and volunteers will be needed to help March 15th.

I attended E-Feast this year and there was a lot of new stuff to see and do. So if you get a chance to go next year it's a good thing to see.

That's all I have for now see you next time.

See You Out There
Mike

Scott had some micro indoor heli's to show. They were purchased at Radio Shack and both fly quite well.

Mike Habig showed his P40 built from a Top Flite kit he bought at a swap meet for \$50. It is covered with cream Econokote and then the camo was sprayed on with Krylon brown paint with a final coat of dull finish. Looks very nice. Weighs 8lbs powered by a Magnum 120 2 stroke engine.

Hi everybody.

Don't forget your AMA and club dues, both are PAST due now.

We had a nice turnout at our annual Christmas Party. Good food, good friends and a good time were had by all.

I was a little disappointed at the turnout for our annual mall display but the ones that were there did a good job.

Don't forget the **SWAP MEET** the 15th. We'll be setting up tables Friday the 14th about 5:30 for those that can help. We'll also need help in different areas throughout the SWAP MEET so please try to make it and help even for just a little while. The doors open at 8am for vendor set-up the 15th and at 9am for the public. **SEE YA THERE!!!**

Enough said. See you at field. HAPPY FLYING.

Hi All

What a year this is going to be. I checked my dance card and it's full. I will be involved in our 5 major events and that is not counting Shoop's Fly-in or the Mall show. I want to take the time to remind everybody to dedicate or build a plane for our 2 member only Fun-Fly Contests coming mid June and early November. Mike Habig announced he and a friend are going to put planes together for the Senior Pattern Competition coming up July 26-27th. All the info you need for the SPA contest is available at; seniorpattern.com or I have a printed rule and event book at the clubhouse to look over. This will make about 9 persons from our club that will participate. Make sure you print a list of approved planes before going to a swap meet if you plan on the sportsman or expert class. Anybody want to call me about the SPA contest can so at 317-422-5516.

14 Ways You Know You're Getting Older

1. Your houseplants are alive, and you can't smoke any of them.
2. Having sex in a twin bed is out of the question.
3. You keep more food than beer in the fridge.
4. 6:00am is when you get up, not when you go to bed.
5. You hear your favorite song on an elevator.
6. You watch the weather channel.
7. Your friends marry and divorce instead of "hook up" and "break up".
8. You're the one calling the police because those %&@# kids next door won't turn down the stereo.
9. You don't know what time the Taco Bell closes.
10. Your car insurance goes down and your car payments go up.
11. You take naps.
12. You go to the drug store for ibuprofen and antacid, not condoms and pregnancy tests.
13. A \$4.00 bottle of wine is no longer "pretty good shit".
14. "I just can't drink the way I used to" replaces "I'm never going to drink that much again".
