Well hello again,

The Heartnut Fly In has come and gone and turnout was not real good. Lonnie was the CD and I think he did a great job. He asked me if there was anything he did wrong because of the low turnout and I said no that I think it is gas prices that is the problem. In looking at the Heartnut itself it was way down on attendance and vendors. Would like to thank all for the help and support.

Don't forget meeting every 3rd Monday of the month and if it's nice out we will be at the field and if it's cold or rainy we meet at the park office.

Well that's all I have for now.

See You Out There

Hi everybody.

Well Guys, our major planned events for the year are over with the Heartnut Flyin being held last weekend. Attendance for the festival seemed to be down considerably from past years but we did manage to make a few dollars thanks to the help of some of our dedicated members. Many thanks to those that helped out and to Lonnie for CDing his first event.

Our mower has been repaired and back to good running condition, waiting in shed for the next mower.

**JUST A REMINDER**. The last club member to leave field remember to make sure shed and restrooms are locked and secure.

Enough said. See you at field. HAPPY FLYING.

Seen some spectators wondering into the pits at the Heartnut Festival and club member was quick to ask them to stay behind the fence, mainly happens with young kids that have a case of tunnel vision, anyhow kudos to the members that reminded the spectators too stay behind the fence and out of the pits.  
Always be safe

Hi All

Well the Heartnut is in the record books and attendance was down along with the festival itself. Man this summer has flown bye and I have worked on vehicles and not planes. Barb at Hobby RC said she misses me ( money that is ).  
Get ready for the Turkey Fun-Fly and Picnic Nov. 1st.

NEWS FLASH ---I think I will host a SPA (novice only) Pattern Contest for members only in October to be voted on at next meeting for a club OK. I have the scoring computer and genuine SPA certificates and a Saturday only. A start time about 11am because of morning sun and about 3 rounds would be perfect. Field closed to open flying during contest.

Also is an attachment of apology plaques sent to 6 out of state Pattern flyers, that got chased away from July SPA contest at our field.
