"Hi Guys"

Hot Dog Day

Thanks to Wilson Lowe and everyone else that helped out at the Hot Dog Day Open Flying and BS session. There were 11 members present despite windy conditions and the threat of rain. I think we all had a good time. Lots of food.

New Mower

The club now has a new Troybilt 42" mower. It is nice and easy to run and does a great job on the grass. Thanks to all the members for their support and donations from Tim Dearth, Bob Bills, Don Seay, and you might say Mike Bryant who "donated" and in return got the old mower which promptly broke.

Hey all,

Hope to see you at the next meeting.

See You Out There

**Our teacher asked us what our favorite animal was, and I said, "Fried chicken." She said I wasn't funny, but she couldn't have been right, everyone else in the class laughed.**

**My parents told me to always be truthful and honest, and I am. Fried chicken is my favorite animal. I told my dad what happened, and he said my teacher was probably a member of PETA. He said they love animals very much. I do, too. Especially chicken, pork and beef.**

**Anyway, my teacher sent me to the principal's office. I told him what happened, and he laughed too. Then he told me not to do it again.**

**The next day in class my teacher asked me what my favorite live animal was. I told her it was chicken. She asked me why, just like she'd asked the other children. So I told her it was because you could make them into fried chicken. She sent me back to the principal's office again. He laughed, and told me not to do it again.**

**I don't understand. My parents taught me to be honest, but my teacher doesn't like it when I am. Today, my teacher asked us to tell her what famous person we admire most.**

**I told her, "Colonel Sanders".**

**Guess where I am now...**

Hi Everybody,

As of May 26<sup>th</sup> the club has a new riding mower. There are still open weeks on the mowing chart at field for anyone to sign up to help mow. The list is also posted on our website so you can check out open dates and either e-mail me or sign up when you go to field for any week(s) you can mow.

Let's not forget the annual war-bird fly-in coming up on July 10<sup>th</sup>. Mike Habig is the CD for this event and I'm sure he'll need a little help doing something during the course of the day.

We're going to work with the southside club to put on something for the Boy Scouts hopefully September 25<sup>th</sup>. John Gaither will be at our meeting with more details. We're going to need a BIG member participation for this so it would be nice to have as many members as possible at our meeting.

Let's not forget: the last member to leave the field has to make sure the restrooms and frequency shed are locked and secure.

Enough said. See you at field. HAPPY FLYING.

For some time many of us have wondered who is Jack Shit? We find ourselves at a loss when someone says, you don't know Jack Shit? Well, thanks to my efforts you can now respond in an intellectual way. Jack Shit is the only son of Awe Shit who married O Shit. In turn Jack Shit married Noe Shit. The couple had 6 children: Holie Shit, Giva Shit, Fulla Shit, Bull Shit, and the twins Deep Shit and Dip Shit. Deep Shit married Dumb Shit, a high school dropout. After 15 years, Jack and Noe Shit got divorced and she married Ted Sherlock and became Noe Shit Sherlock. Meanwhile, Dip Shit married Lota Shit and had a rather nervous disposition named Chicken Shit. Fulla Shit n Giva Shit married the Happens brothers in a double wedding. The newspaper invited everyone to the Shit-Happens wedding. Bull Shit traveled the world and returned home with an Italian bride. Pisa Shit. So from now on, no one can tell you that you don't know Jack Shit.
