

Hanger Talk

Issue 10-October 2010

NEXT MEETING
Oct. 18th, 7:30

From the Prez'
Club President Bob Kleis

"Hi Guys"

The Boy Scout day on Saturday was a big success. Many flyers flew demonstrations for the Scouts, and lots of kids got stick time on the buddy boxes. There were kids on flight simulators all day and there was a crowd of scouts at the picnic tables building Delta Darts. There was also a bunch of kids doing "stomp rockets". The field was busy all day. Needless to say, you couldn't have asked for better weather. All in all a very good time was had by everyone. Thanks to everyone who helped make it a success.

MEETING ADJOURNED AT 8:05pm

From the Editor Dennis Runge

Hi Everybody,

I couldn't make it to the field Saturday for the scout day but I heard it was a big success. Thanks to all that helped out.

Let's not forget. It's that time of year again. Your AMA and club dues are due in a couple of months.

We've got some dogs and burgers in frig that need to be cooked up so we'll grill at the meeting. Don't worry about eating anything at home before meeting, come early and fly and we'll have dogs and burgers at field.

Let's not forget: the last member to leave the field has to make sure the restrooms and frequency shed are locked and secure.

Enough said. See you at field. HAPPY FLYING.

Denny

Here's a few pictures from Saturday, October 9th, when the cub scouts were introduced into radio controlled flying. This event was put on by the south side club at our field. Thanks to all that helped make this event a successful one.
