Issue 9-September 2010

NEXT MEETING
Sep. 20th, 7:30

From the Prez'
Club President Bob Kleis

"Hi Guys"

Well, the Heartnut Festival is in the books. Considering the rainy weather Saturday, I think we had a good crowd. There were lots of spectators since the park was loaded with people and horses. Lots of fun flying. I heard from a friend of mine who was at the tractor pull Sunday and he said there was flying going on Sunday even though we didn't have activities planned for Sunday. As always, thanks to Denny for putting the field together, and all his other work, and Wilson and Steve for cooking and there were many others who helped.

Looks like we're going to have some cool dry weather for fall flying. It is always a time of year I like to fly, as the wind is not too bad.

MEETING ADJOURNED AT 8:50 pm

From the Editor Dennis Runge

Hi Everybody,

Well, the Heartnut fly-in is over for another year. Saturday morning was pretty much a bust because of the rain but flyers did show up in the afternoon and on Sunday. We ended up with more pilots signed up then last year so wasn't a bad weekend considering the rain.

Thanks to all that helped out over the weekend to help make this another successful event.

Don't eat a big supper before the meeting; we'll grill up some dogs for anyone that wants one.

Let's not forget: the last member to leave the field has to make sure the restrooms and frequency shed are locked and secure.

Enough said. See you at field. HAPPY FLYING.

Denny
